

## ORGANIZATIONAL MANAGEMENT CONCENTRATION / BBA LEADERSHIP TRACK

ALL CONCENTRATION INFORMATION EFFECTIVE FOR STUDENTS ADMITTED 1/2005 OR  
THEREAFTER. REVISED 4/2007

The suggested program presumes that 62 hours of pre-admission requirements and free electives have been earned. Use worksheets and check with the Advisement Center if necessary to calculate earned pre-admission hours. While all the courses are required, there are a number of alternative sequences that are equally satisfactory. Use the worksheet and the catalog to check for prerequisites.

The Organizational Management, Organizational Leadership Track is for students who expect to work for organizations of all types (private, government, non-profit) in which they expect to play a leadership role. The Organizational Leadership Track requires 15 hours of upper-division (300 level or above) management classes. Required courses are: MGMT 307, 362 and 458 plus any two of MGMT 457, 462, 469 or 492.

MGMT 492 is offered each semester. Please refer to current class schedule for other Organizational Leadership Track electives. Register for concentration electives throughout your degree program; not all concentration electives are offered every semester.
