

## UNM/Anderson CORE CURRICULUM REQUIREMENTS FOR ADMISSION TO THE BBA PROGRAM

These requirements are consistent with the provisions of state law, under Senate Bill 161, and are guaranteed to transfer to any New Mexico public institution to satisfy general education core. In addition, these courses satisfy the requirements under the New Mexico Business Articulation and Transfer Matrix.

The UNM/Anderson Core Curriculum applies to all BBA degree-seeking students who are admitted to UNM for or after Fall 2003. A grade of C or better, not C-, is required for all courses used to fulfill the requirements of the UNM/Anderson Core Curriculum. These courses cannot be taken CR/NC to satisfy Anderson admission requirements.

Students should apply for admission to the BBA Program the semester before they wish to enter Anderson. The UNM/Anderson Core Curriculum coursework must be completed or in progress at the time of application. Admission application deadlines will be observed:

**May 1 for Fall Semester**  
**October 1 for Spring Semester**  
**March 1 for Summer Semester**

For admission to the BBA Program, students must achieve a minimum cumulative Grade Point Average of **2.5** in the following UNM/Anderson Core Curriculum classes and a **2.5** overall GPA (includes grades for all classes taken at UNM plus grades for all transfer credits).

SUGGESTED PRE-ADMISSION SCHEDULE**

The following is a suggested four-semester schedule of pre-admission coursework required for admission to the BBA Program. The pre-admission requirements total a minimum of 52-55 credit hours. Every student is unique; meet with your Academic Advisor to discuss your plans for developing a class schedule that best meets your needs.

***Keep the following in mind when planning your schedule:***

- Begin your Math and English courses as soon as possible.
- In order to be considered a full-time student, eligible for financial aid and scholarships, students must maintain a minimum 12 credit hour semester class schedule. Please consult the Scholarship Office for specific details regarding your individual scholarship: <http://scholarship.unm.edu/>
- If you prefer a 12 –13 credit hour semester class schedule, be advised that it will likely delay your graduation for a semester or two (unless you enroll in summer courses).
- Pre-admission requirements can be completed more quickly if you attend summer school.
- Students who successfully complete a computer competency test may substitute a three credit hour Free Elective course.
- Students may use free-electives to plan an academic Minor in any field of study. See your Academic Advisor to discuss your plans.
