

FINANCIAL MANAGEMENT CONCENTRATION / BBA

ALL CONCENTRATION INFORMATION EFFECTIVE FOR STUDENTS ADMITTED 1/2005 OR THEREAFTER.
REVISED 4/2007

The suggested Financial Management program presumes that 62 hours of pre-admission requirements and free electives have been earned. Use worksheets and check with the Advisement Center if necessary to calculate earned pre-admission hours. While all the courses are required, there are a number of alternative sequences that are equally satisfactory. Use the worksheet and the catalog to check for prerequisites.

A concentration in Financial Management requires 15 hours of upper-division (300-level or above) management classes. In addition to MGMT 326, the Financial Management concentration requires five courses chosen from among the following: MGMT 426, 470, 471, 473, 474, 476, and 478: Portfolio Management.

FINANCE AREA POLICY FOR GRANTING TRANSFER CREDITS

(Effective 7/2003)

MGMT 326. Conditional Waiver. Letter grade of "C-" or better in a basic finance management course from a known college or university within the last 5 years. The conditional waiver permits the student to substitute any other Anderson 400 level finance course for MGMT 326.

400-LEVEL FINANCE COURSES. The student may transfer six hours of approved upper-division credit toward an Anderson finance concentration with Finance Faculty Advisor pre-approval. Transfer of an upper-division finance course satisfies the conditional aspect of the MGMT 326 waiver.

Letter grade of "C-" or better in an equivalent course from a finance department or area in an AACSB-accredited college of business or management within the last five years.

Register for concentration electives throughout your degree program; not all concentration electives are offered every semester.
