STUDENT PETITION

The Anderson Schools have established policies that are designated to promote proper usage of scarce resources. These policies were put in place after careful consideration. If you feel you have a legitimate and documented issue to raise, please use this form. We will consider these forms once a week and will respond to you directly after examining your file. Thank you.

Date: ________________ Name: ____________________________________________

E-mail Address: ___________________________________________________________

Phone Number: ___________________ Social Security Number: _______ - _______ - _______

Brief description of the problem. Please explain reasons for your request, attach any necessary documents or refer to UNM/ASM catalog for supporting policies.
